

Bolt Pattern Measurement Guide

Best Sealing System Ever Made!

Use this as a reference guide.
Line up your existing hinge to the diagram below.

Note: Your existing #1 hinge has only 1 tube. The Green Hinge #1 replacement hinge has 2 tubes.

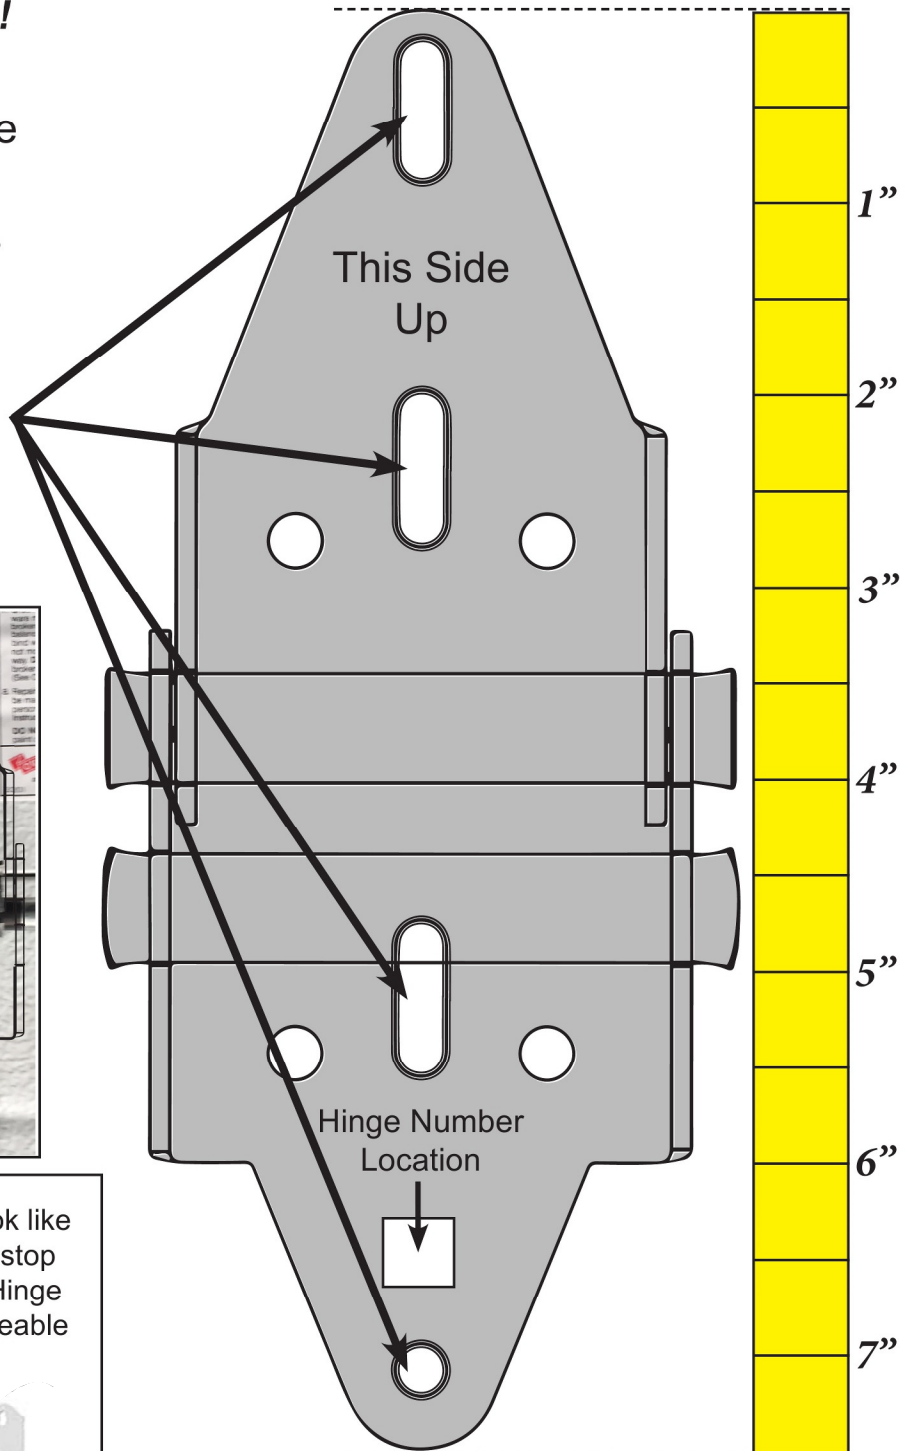

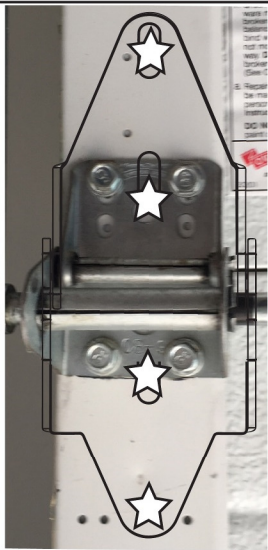

Bolt pattern must match these holes for proper installation.

EXCEPTION:

If your hinge looks like the square hinge shown, The Green Hinge will interchange.

Two alignment holes are hidden behind the square hinge. Your 4 existing bolts will now be placed vertically in the starred locations.

**Hinge outline shows proper installation.*

Measurements in inches. For reference use your own tape measure to match to this diagram for accuracy.

Professional installation recommended.
