

Bolt Pattern Measurement Guide

Best Sealing System Ever Made!

Use this as a reference guide.
Line up your existing hinge to the diagram below.

Note: Your existing #1 hinge has only 1 tube. The Green Hinge #1 replacement hinge has 2 tubes.

Bolt pattern must match these holes for proper installation.

Measurements in inches. For reference use your own tape measure to match to this diagram for accuracy.

EXCEPTION:
If your hinge looks like the square hinge shown, The Green Hinge will interchange. Two alignment holes are hidden behind the square hinge. Your 4 existing bolts will now be placed vertically in the starred locations. **Hinge outline shows proper installation.*

STOP

If your existing hinges look like one of these examples, stop installation. The Green Hinge System is not interchangeable with these hinges.
